WHEREAS, safe, reliable and affordable energy is essential to our families, communities and businesses; and,

WHEREAS, energy supplies the simple things in life – heating, cooling, cooking, lighting; and,

WHEREAS, energy supports modern society’s complex systems – providing health care, air traffic control and running a manufacturing plant. Energy also makes possible the fun things in life – lights at a baseball field, air conditioning at the theater and rides at the state fair; and,

WHEREAS, the large demand from the industrial sector makes Illinois among the nation’s leading consumers of energy. The state’s ability to maintain and expand these systems depends on the availability of a highly skilled, educated workforce; and,

WHEREAS, to promote workforce continuity and meet the challenges of our ever-changing economy, new workers are needed; and,

WHEREAS, women and minorities should be encouraged to pursue careers in energy. According to the Bureau of Labor Statistics, women and minorities are significantly underrepresented in the engineering workforce; and,

THEREFORE, I, Bruce Rauner, Governor of the State of Illinois, do hereby proclaim October 12-18, 2015, as CAREERS IN ENERGY WEEK in Illinois. The Illinois Energy Workforce Consortium and its partners will hold events throughout the state to highlight the need for a strong and growing energy workforce and encourage Illinoisans of all ages to consider a career in the energy industry.

In Witness Whereof, I have hereunto set my hand and caused the Great Seal of the State of Illinois to be affixed.

Done at the Capitol in the City of Springfield,
this SIXTEENTH day of SEPTEMBER, in
the Year of Our Lord, two thousand and
FIFTEEN, and of the State of Illinois,
one hundred and NINETY-SEVENTH.
